

"Just Right" Book Selection

The book is too easy when...

- you can read the words fluently (smooth and with an interesting voice).
- there often are not a lot of words on a page.
- you know how to say all of the words.
- there are not a lot of pages in the book.
- you have a lot of schema/prior knowledge for the subject.
- sometimes the book has a larger size font than you are familiar with.
- you totally understand the story.
- your reading rate may be quicker.
- your thinking comes easy as you read the words.
